

VRIS UPDATE

Ticket To Work Chapter UPDATE Effective Immediately Number 340

SUMMARY OF UPDATES

The Ticket to Work chapter has been revised. Information was added on how to verify an individual's 'Ticket' status. This is a quick way to determine what the current status is and can be used to verify the impairment for eligibility purposes. Also included are explanations of the possible responses on ticket status.

VRIS POSTING

The [Ticket to Work chapter](#) is posted on VRIS in the program manual – miscellaneous section.

TEAM COMMUNICATION

Office directors should review this revision with all team members.
